MEDIA RELEASE

ADELAIDE CENTRAL MARKET TRADERS JUST KEEP ON GIVING THIS CHRISTMAS

At one of the busiest times of the year for Adelaide Central Market Traders, they have still found the time to give so generously and help those who will be disadvantaged this Christmas.

Through the donation of toys, clothes, gift vouchers, hampers and food items, many families can look forward to a brighter Christmas this year. Beneficiaries of the Trader's donations were:

THE MAGDALENE CENTRE:

Provide information, advocacy and crisis support to disadvantaged, isolated and marginalised individuals & families in the inner city Adelaide. Donations from the Adelaide Central Market will support Christmas hampers for families and provide emergency assistance.

TIME FOR KIDS:

Time for Kids is an SA charity providing volunteer respite care, mentoring and family support to disadvantaged children for over 50 years. They have helped more than 4600 children to develop resilience, life skills, confidence and broadened possibilities for brighter future. Donations from the Adelaide Central Market will provide a Christmas gift to a child and their siblings, who are involved with Time for Kids, plus those on the waiting list still seeking carers and mentors.

For over 140 years, the Adelaide Central Market has continued to provide the people of South Australian with the freshest and largest range of produce, and is such a special place to very many – families, foodies, chef's, tourists, kids, city residents...just to name a few!

Christmas is a very special time of the year to come together with family and friends and celebrate, laugh and share beautiful memories of the year gone by. Through the generosity of the Adelaide Central Market community, many more families can now enjoy a special Christmas.

Merry Christmas

END
