## **MEDIA RELEASE**

### **CENTRAL MARKET – NO# 1 FOR FRUIT & VEG**

With over 140 years of experience and 80 stalls under 1 roof, the Adelaide Central Market continues to provide the people of Adelaide with the freshest and largest range of local, national & imported products.

There are hundreds of fruit and vegetables to choose from and new ones arriving in the Market every day! Its traders and business owners come from all around the world, offering a multicultural community experience. The Market is simply one of a kind.

Our traders are passionate about what they do and will source the best, freshest and widest range of products on offer. They will talk to you about what's in season, inspire you to experiment with new ingredients and introduce you to an incredible range of products.

The Market has 23 fruit & vegetable stalls at which to shop at, so you can be guaranteed that you'll always find the freshest & best produce available.
